Dogs Chase Two Heifers to Death, Findlay Reports

Two 2-year-old heifers valued at \$500 were found dead by owner Dave Findlay, Sunday, run to death by dogs.

Findlay, who had difficulty with dogs last year, said the two heifers were drowned in a creek on his range in their frantic attempts to dodge their tormentors.

He reported the matter to Inspector Norman Wilson and to the poundman at Martinez.

Findlay stated he had had little trouble since the Sun reported the damage done by mauling dogs last year on his property. He asked that persons who have dogs that roam at least keep them locked up during the night, as they seem to do their running in the early morning hours.

Let's Talk about The Weather...

Even the weatherman got disgusted and left town. Nothing new and exciting in the weather department except unseasonably cool nights — and days.

Last report left by the weatherman before he packed his bags and left for a vacation in balmy climes was for the week of June 29 through July 4. A maximum of 78 degrees on the 28th and a minimum of 45 degrees on, of all days, the Fourth of July, is the best the bureau could do for the Orinda Chamber of Commerce.

Weather year report, beginning July 1, 1950, and ending June 30 this year, reveals the highest temperature of the period was 109 degrees September 1, 1950.

Rainfall for the year totaled 38.24 inches.

Mortimer Seeks Brother's Estate

In a petition filed this week with County Clerk Walter T. Paasch, Henry L. Mortimer asked probate of the unestimated estate of his deceased brother, Albert Mortimer, 82, who had resided at 43 Monte Vista Road before his death June 10.

A resident of Orinda for the past 15 years, Albert Mortimer had been a dairyman and rancher in the San Joaquin Valley for 30 years.

Henry L. Mortimer lives at the Monte Vista address.

New Son; New Home

Mr. and Mrs. Robert Talbot acquired a new home and a first son in rapid succession. Richard Lyman Talbot was born on June 21, shortly after the young couple had settled in their new home on Hillcrest in Orinda.

School Board Approves Extensions Of Bus Routes; 23 Miles Are Added

School bus route extensions which will add 23.8 miles to the present routes were approved at the Orinda Union School District board of trustee meeting July 3.

Extensions are as follows: Up Crestview Drive to Crestview Court and into Lost Valley to Kenmore Court; into Sleepy Hollow, in Lombardy to Van Ripper Lane, out Van Ripper to Van Tassel, out Van Tassel to Tarry Lane and in Tarry Lane to Sleepy Hollow Lane and making the circle on Sleepy Hollow Lane back to Lombardy; into Moraga Del Rey making the circle on Donna Maria Way and Dolores Way.

THE BOARD is making further study of another request to go out Irvine Drive and on Moraga Via. No decisions was made on the El Toyonal. Bus routing will be resumed on this route, Sheaff said, if and when the road is fixed by the county to the satisfaction of the road committee composed of members from Lafayette, Orinda and Acalanes High School Districts.

Sheaff announced that registration for the schools will be held during the week of September 3 to 7. There will be no registration on the first day of school.

THE TENTATIVE budget for the new school year will be published this month, with the budget hearing set for August 6, Sheaff said.

Edgar Stewart is the re-elected president of the board and Mrs. Katherine Schwarck was elected clerk.

Vandals Damage Gasoline Pump

A gasoline pump at the Village Service Station was damaged by vandals some time Saturday night after closing hours, according to Owner Jim Hendrickson.

Glass covering the indicators on the pump face was broken, and the sides were defaced and dented.

The station closes at 6 p. m. The damage occurred between that hour and 5:30 a. m. Sunday when discovered by the patrol. The Orinda Fire Department was notified since Hendrickson is a new resident and his phone number was not known. Questioned as to developments in the case, Inspector Norman Wilson of the sheriff's office said he did not know of the damage. A deputy had been told of the vandalism Sunday morning, Hendrickson said.

Only 9 Orindans Attend School Tax Meeting Monday

Only nine Orinda residents appeared at the Orinda Union School trustees' public meeting Monday to learn about the District's tax problem for the new year.

The session was for the purpose of discussing with residents the necessity of raising the tax rate to the limit of \$1.50 for the coming year's budget. This year's rate has been \$1.19.

TRUSTEES ALSO wanted to get an expression from the public as to what they thought of calling another election in the fall to authorize the board to continue the tax limit from 90 cents to \$1.50. This tax limit increase was voted upon in the 1947 election, to continue until June 30, 1952.

Board chairman Edgar Stewart explained the school district's reasons for the proposed increased tax rate, and the desirability of holding an election for renewal of the maximum tax rate authorization which expires next year.

SUPERINTENDENT Joseph Sheaff reported on the enrollment growth in the district, revealing that 1190 students, or a 20 per cent increase, is expected for the fall term, with only 28 classrooms available.

Nursery School Registering Now

The Orinda Nursery School Association announced this week that the membership will be completed around mid-July.

Anyone having questions about membership is asked to contact Mrs. William Longhurst for the Monday, Wednesday, Friday group, or Mrs. Robert Kleyn-Schoorel for the Tuesday, Thursday group. Persons wishing to register youngsters in the Nursery School may make arrangements with either of the above chairmen.

Leave For Europe

Nancy and Sandy Hockenbeamer, daughters of Mr. and Mrs. Embree F. Hockenbeamer of Orinda, left June 30 for New York, where they will sail on the S. S. Washington to spend the summer in Europe.

Slide Area Cleared After 7 Months

A section of Mt. Diablo Boulevard pavement, or what was left of it, that had not seen the light of day for almost seven long months, was open last week for the Independence Day traffic.

The earth slide between Orinda Crossroads and Broadway Tunnel had kept two lanes almost covered since December 9. The huge mound of soggy hillside "isolated" the bay-side area from this sector for the first two days, except for time-consuming detours through Redwood Canyon or over Wildcat Canyon Road.

STATE HIGHWAY crews and equipment worked at rapid-fire pace to build an emergency two-lane detour around the base of the slide, while engineers began hydrauger operations to drain water from the shifted mass. The ground had dried sufficiently by April to allow safe removal of the dirt and operations on this project were started.

It was estimated that 60,000 cubic yards of earth were removed and dumped, the bulk of it on East Bay Municipal Utility District property

READY TO MAKE A BIG SPLASH in the Orinda Park Pool at the Independence Day Swim Meet are the following junior mermen and mermaids. Left to right, poised on the pool edge in the upper picture are: Carl Drews, John Spiegl, Chris Fitzpatrick, George Cory, Georgiane Watkins, Butch Fitzpatrick, Sheri Elder, Marc Littlejohn, Ginny Matey, Hester Harris and Tommy Kirby. Seen below enjoying the water during the day were: front row, Tommy Kirby and Johnny Cooper; next row, Hester Harris, Mary Gardiner, Mary DeWolf, Judy Courtright and Ginny Matey; third row, Roger DeWolf, Smedley Ambler, George Cory and Marc Littlejohn; back row, Carl Drews, Chris Fitzpatrick, Heather Ambler, Georgiane Watkins, Sheri Elder, John Spiegl, Butch Fitzpatrick and Roger Almond. —Photo by Mattson.

Pick Wm. Freeman Acalanes Prexy

William Freeman was elected president and Howard Stanley, clerk, at the meeting of Acalanes High School District Board Tuesday night.

The board opened bids for the new curtain to be installed on the auditorium stage and discussed future plans for the school.

Three bids for the curtains were received, Fred E. Turner Company, \$1,198.92; Ink Ribbon Manufacturing Company, \$993; Blumh Company, \$990. The contract for furnishing and installing the curtain was granted to the Blumh Company of Oakland on their low bid.

\$475 of the purchase price was given to the school by the Acalanes Parents Club, according to School Superintendent Neil Parsons.

Directors agreed on changing the rate from \$12 to 14 for teachers substituting by the day the next school year.

Decision was also made to call for bids on grading and surfacing additional parking area across from the driveway immediately south of the school buildings. Parsons reported that the improved space would take care of approximately 150 additional cars, to alleviate the increasing scarcity of parking area. Bids will be opened at the August 1 board meeting.

Parsons announced the next meeting of the board August 1 would include a budget hearing.

ENGINEERS REVEALED that there is still several months more work on the hillside to ensure drainage of underground seepage which first caused the earth slip.

Resurfacing of the highway will be undertaken after the accumulation of clay on its surface has been tamped down by passing traffic, Booker said. Between the slide area and Orinda Crossroads, the north lane and shoulder trucks used in hauling dirt away will also be resurfaced, it is reported.

THE SLIDE DETOUR area has been the scene of many accidents in the past months, in spite of warning signs and flares marking the blocked section of highway.

Again, motorists may follow the striped highway lines along the original highway course, without a swoop around a towering misplaced hill.

New Swimming Records Cracked at Park Pool's July 4th Competition

The Orinda Park Pool held its annual intramural swimming meet on Wednesday, July 4, and when the last paddler crossed the finish line in the day's final event, five new records had been set.

Sheri Elder broke the record she set last year for the 25-yard free style event when she stopped the clocks at 17.1 as compared to the 1950 mark of 17.6.

JOHNNY SPIEGL cracked the 1950 free style record of Don Labarth, 12.9, when he set the new mark of 12.7. Johnny was a double winner and double record holder when he repeated his record-breaking performance in the back stroke with a 16.3 as compared to the time of Jim Watkins of 16.6 set in 1950.

Sally Pedder won the number one spot in her division when she tied her free style 1950 time of 14.5 and was also a double winner when she smashed Barbara Stark's time of 16.2 for the 25-yard back stroke with a fast 15.5.

The meet was conducted before a large holiday crowd and was under the direction and management of Bob Edwards, life guard and instructor at the pool.

THIS IS A PRELIMINARY to the classic traditional competition to be held in mid-August with the Orinda and the winner to be crowned as the Country Club as the second party 1951 Orinda Champions.

Complete results of the July 4 event are as follows.

25-YARD FREE STYLE — Boys 6 and 7: Tommy Kirby, first, 32.5; Johnny Cooper, second, Girls 6 and 7: Hester Harris, first, 33.9; Elaine Fossati, second, Boys 8 and 9: Bob Udall, first, 18.7; David Puddy, second; Paul King, third, Girls 8 and 9: Sheri Elder, 17.1, first; Judy Courtright, second; Carol March and Babbett Ambler, tied for third.

Boys 10 and 11: Marc Littlejohn, 16.0, first; George Cory, second; Smedley Ambler, third, Girls 10 and 11: Patty Courtright, 17.2, first; Jane Summers, second, Boys 12 and 13: Butch Fitzpatrick, 15.0, first, Girls 12 and 13: Georgiane Watkins, 14.5, first; Sally Freedman, second.

Boys 14 and 15: Johnny Spiegl, *12.7, first; Mike Small, second, Girls 14 and 15: Sally Pedder, *14.5, first, Boys 16 and up: Carl Drews, 13.4, first; Kim Wilkin, second, Norm Miller and Fred Udall, tied for third, Girls 16 and up: Chris Fitzpatrick, 15.5, first; Helen Gibbs, second; Doris Clifford, third.

25-YARD BACKSTROKE — Girls 6 and 7: Joyce Bailey, 27.2, first, Boys 8 and 9: David Puddy, 26.2, first; Gilbert Johns, second; Paul King, third.

Girls 8 and 9: Eheri Elder, 24.3, first; Judy Courtright, second; Les-

Cigarette-Liquor Gang Hits Stores In Orinda, W. C.

The "Play Boy Burglars" struck 3 more grocery markets in the past seven days — again stealing only liquor, cigarettes and cash.

The gang has evidently taken a liking to this area, judging by the mounting score of stores looted.

In the chain of thefts, both liquor and grocery departments of Black's Market at Orinda Crossroads were looted some time last Friday night. A similar burglary took place at the Big Tree Grocery on Geary Road, Walnut Creek, Saturday night. Wednesday night, the Orinda Store on Orinda Highway in the Village was broken into.

THESE FOLLOWED in uncomfortably close succession a burglary at Lafayette's Super-Saver Market on June 20, and two at the Lafayette Food Center, June 1 and 10.

The "Playboy" tag seems to best describe the burglars who have concentrated on cigarettes, liquor, money, or combinations of the three.

INSPECTOR NORMAN Wilson of the Contra Costa Sheriff's office said the looters could be the same, probably two or three men, but that in some cases there were "different earmarks indicated by the mode of entry."

Wilson pointed out that a side-rear door was forced at Black's Market last Friday night, but entry at Orinda Store Wednesday night was gained by breaking the front door glass at releasing the lock.

AT BLACK'S, \$60 in cash and three cases of whiskey were reported taken from the liquor department owned by L. T. De Maeyer and about 3½ cases of assorted brands of cigarettes were taken from the grocery department, according to owner Jack Clark.

Wilson said offices above Black's Market were also entered but nothing was reported missing. Deputies William Faulkner and Lee Gallamore investigated the case.

Five cartons of cigarettes and a case of beer were taken in the Saturday break-in at the Big Tree Grocery owned by Mary and Fred Machado.

AT ORINDA STORE'S burglary tactics differed. The burglars altered their routine by trying to make off with the safe.

Store owner E. J. Phair revealed that his office safe, approximately 36 inches by 28 inches and weighing possibly 1000 pounds, had been wheeled to the front sidewalk and then abandoned, the culprits evidently frightened away.

Both he and Inspector Wilson corroborated this theory in pointing out that a case of whiskey in pint bottles had been moved to the doorway of the liquor department, and Phair said one lone pint bottle was left by the front door.

Phair estimated that about \$25 in small change had been pilfered from the three cash registers in the store, doors pulled open and drawers had evidently been ransacked, but that as far as he could ascertain, the cash was the only loss.

ORINDA STORE closes at 6 p. m., and the burglary was discovered at 8 a. m. when the store's first employee arrived. Deputies John Kirschner and Bud Shepherd investigated the case. Inspector Wilson said "The time of the burglary can't be established — the patrol goes through but didn't notice anything then."

Wilson reported that deputies "dusted for fingerprints, but apparently there were none."

"They nearly all wear gloves," he went on. "Even the nine-year-olds go to the moving pictures now, see gangster films, then try gloves." He said there were no identifying traces left.

THESE LATEST burglaries seem to give further indication that an organized gang of burglars are victimizing stores.

At the Super-Saver Market last month, bolt cutters were used to remove a back door, and 25 cases of bonded whiskey valued at about \$1500, a half-dozen cases of cigarettes and \$106 in change, were taken.

NINE DAYS EARLIER, between \$200 and \$300 was stolen from the Lafayette Food Center. At that time, Inspector Wilson said the thieves there had apparently been "scared away" from the liquor department at the front of the store. Owner Harold Karlrud said the men had evidently hidden in the store at closing time.

Early in June, the same store was looted of \$250 from the grocery and meat market cash registers during the night. Several months previously a couple hundred cartons of cigarettes were stolen in another break in.

At the time of the Super-Saver break-in, Inspector Wilson recalled that a market in Pittsburg had been burglarized several months earlier in the same general manner, pointing out that the same gang could be responsible.

Two New Patrolmen

Two California Highway Patrolmen new to Contra Costa Highways today are Thomas Biggs, 1730 Ruth Drive, Gregory Gardens, and Claude D. Belon, 106 Dorsey Drive, Concord.

Coast Counties Gas Rates Up Aug. 1

Starting August 1 gas furnished householders by the Coast Counties Gas and Electric Company will cost an additional two cents per day, according to G. H. Conner, district manager of the company's Walnut Creek office.

The increase follows a gas rate boost granted the company by the California Public Utilities Commission.

Coast Counties annual gross revenue will be increased \$950,000 by the rate increase. An estimated \$467,000 of this amount will be paid out in taxes by the company, Conner said. He blamed a January 1 increase in the field price of gas to the Coast Counties Company for the new boost.

At the same time the Public Utilities Commission authorized Coast Counties to acquire certain pipe line facilities of the Pacific Public Service Company and subsidiary companies for \$2,712,000.

The new lines will bring natural gas to the area from Kettleman Hills, Rio Vista, Moffat and other nearby gas fields, Conner said.

U.S. Tax Collector Dons Military Garb

R. L. Hushback, deputy United States Internal Revenue collector stationed at the Walnut Creek City Hall, is being recalled to Air Force duty with Uncle Sam and will report to Travis Air Field at Fairfield July 23. He will be Captain Hushback from now on.

His wife and three children will remain at their 3148 McNutt Avenue home in Pleasant Hill for the time being.

Replacing Hushback here will be Clifford A. Wetherbee of the Internal Revenue Bureau's Richmond office. He hopes to find a home here for his wife and two children in the near future.

Wetherbee will continue the 9 a.m. to 12 noon office hours each Wednesday at the Walnut Creek City Hall.

Will Stop Immunizations If Polio Outbreak Occurs

The Contra Costa County Health Department will close its immunization clinics and will stop giving immunizations at its well baby conferences if a serious outbreak of polio occurs, Dr. Marion G. Josephi, assistant health officer, said today. "According to latest medical research there is some danger that polio will attack an arm or a leg in which an immunization has recently been given," Dr. Josephi continued. "Because of this, many parents are asking about having their children immunized during summer months."

The health department feels that there is no reason to delay immunizations at this time. This season there have been only five cases of poliomyelitis since the first of the year, and these have been widely scattered. Until the disease becomes more widespread there is very little danger.

If there is a serious outbreak of the disease the public will be told immediately, Dr. Josephi said.

Daily Average of 213 at Swim Class

An average daily attendance of 213 for the first session of the Mt. Diablo Chapter's Swim Program is not bad when you realize how cool the mornings have been the past week.

The 351 children and adults from the Lafayette School District enrolled as follows: 22 in life saving, 48 intermediate swimmers, 36 beginner boys, 36 beginner girls, 81 non swimmers, 69 swimmers and 38 adults.

Mrs. Karl Pape, Water Safety Chairman, announces that the fourth session is open to anyone living within the chapter area even though he has attended one of the three earlier sessions this year. In case the enrollment is too heavy at the fourth session, those who have not attended an earlier session will be given preference in enrolling.

Walnut Creek School District is scheduled for the session from July 10 to July 21. This includes children and adults, and covers the Buena Vista, Parkmead and Walnut Heights Schools, as well as the Walnut Creek School.

Army Seeks Men For Freedom Unit

Only a few days remain in which Walnut Creek Area men may enlist with the U. S. Army for special assignment to the East Bay Freedom Company, according to Sgt. Wendell Schwartz of the Army and Air Force Recruiting Station in Walnut Creek.

Enlistments for this company will be open until July 19. On July 20 the company's 280 men made up solely of Contra Costa and Alameda County volunteers will begin basic training at Fort Ord.

Qualified men may enlist for two or three years. Volunteers already include Stephen A. Andrews Jr., 1138 Granger Way; John W. Hansard, Leonard E. Nystrom and Harold D. Ott, all of Walnut Creek.

Blood Bank Due in Pleasant Hill Area

Are there 200 or more residents in Pleasant Hill, Gregory Gardens and surrounding area willing to help save a life on July 24?

That is the date set for the visit of the Bloodmobile to this area. The mobile unit will be set up at the Pleasant Hill Grammar School at Oak Park Boulevard and Pleasant Hill Road.

Mrs. Audria Cline, chairman of the Grange has asked that anyone willing to help with the project should call her at Walnut Creek 4988, or Mrs. Lois Mehlsen at Walnut Creek 4300.

Let's go over the 200 pint goal — give your pint of blood and save a life!

Probation Office Tallies Delinquents

One hundred twenty of the 944 male juveniles and 47 of the 380 girls dealt with during the past year by the county probation department were from Central Contra Costa County, according to reports from the probation department.

A break down of the figures shows that 77 of the males were from Mt. Diablo High School District, 41 were from Alacanes district and two were from San Ramon Valley.

FIFTEEN IN THE DIABLO area were guilty of specific offenses, one had delinquent tendencies, eight were non-delinquent and 53 were traffic violators. At Alacanes there were nine specific offenders, eight non-delinquents and 24 traffic violators. San Ramon Valley had one with delinquent tendencies and one non-delinquent.

Twenty-nine of the 47 girls were from Mt. Diablo district; four for specific offenses, five with delinquent tendencies, 18 non-delinquents and two traffic offenders. From Alacanes District, two girls committed specific offenses, two had delinquent tendencies, eight were non-delinquents and one was a traffic offender. San Ramon Valley, one specific offender and four non-delinquents.

JOHN A. DAVIS is county probation officer. Mrs. Lisa Hook of Walnut Creek and Mrs. Verda Claunch of Clayton, former Alamo resident, are on the county probation committee.

DAR Lunch Honors W.C. Chapter Head

Mrs. Harvey B. Lyon, D.A.R. Chapter Regent, was recently honored at a luncheon given at the Art and Garden Center by Mrs. E. Wynne Newell. Members of the Alacanes Chapter, Daughters of the American Revolution, were guests.

Mrs. Lyon displayed a collection of dolls from foreign countries, dressed in native costume, which she brought back as souvenirs from a recent European tour. The trip, which Mrs. Lyon made with her husband, included visits through Scotland, England, Ireland, and Canada.

Plans for a card party to be held in September at the Lyons' home were also made by Alacanes Chapter. Proceeds of the party will be used to carry on various projects sponsored by the chapter, according to Publicity Chairman Josephine Ford.

Call for Bids For Purchase Of Three Buses

Bids for purchase of three school buses were called for this week by the Board of Trustees of the Contra Costa Junior College District. Each bus is to have 13 rows of seats with capacity for 66 passengers.

The bids will be opened at 11 a.m. July 23, according to Superintendent Drummond McCunn. Inquiries may be made at the district's office, 1005 Escobar Street, Martinez.

Rabbi Steinberg To Address League

The League of Jewish Women will meet for its regular monthly session next Wednesday, 2 p.m., in the Walnut Creek Women's Club Building.

Rabbi Paul Steinberg, director of Hillel Foundation in Berkeley, will discuss the proposed Sunday School to be operated by the league in Central Contra Costa County.

Final reading and adoption of by-laws will be an important item on the agenda. Luncheon will be served in the clubroom prior to the meeting, according to Mrs. H. W. Stelmack, publicity chairman.

WEDNESDAY, AUGUST 15 — Walnut Creek Women's Club Building, 1 p.m. to 6:30 p.m. For appointment call Mrs. Edward Solinsky, W. C. 9053, or the Red Cross office, W. C. 5817.

Contractors Hear About FHA Loans

Richard W. Briggs, District Director of the Federal Housing Administration, told the members of the General Contractors Association of Contra Costa County at a recent meeting at Planters Dock in Lafayette that the FHA's insurance authorization had expired.

Briggs stated that unless Congress passes emergency legislation for added insurance authorization, the Federal Housing Administration would be unable to act on any loans for construction submitted.

BRIGGS STATED THAT Defense Mobilizer Charles E. Wilson had announced that the production of houses during 1952 should amount to between 800,000 and 850,000 units which, except for the years 1949 when a million units were produced and 1950, when almost a million and a half units were produced, would be as large a building year as the nation has had.

Briggs assured the home builders that his office would cooperate fully in assisting them in their efforts to meet the housing needs of the nation as established by the Defense Mobilizer.

CEILING PRICE Regulations upon the construction industry under O. P. S. Regulation 34 were discussed by Ray Bushnell and Joe Kolb, representatives of the Office of Price Stabilization. The contractors were advised that the regulations required the filing of the charges made for various types of work during the base period December 19, 1950 - January 25, 1951.

Sherman L. Balch announced that the following individuals and firms had been accepted as members by the association:

Jerry Doyle Plumbing and Heating, Walnut Creek, and Ostrander Roofing Co., Richmond, sponsored by Harold E. Parker.

HANS RODDE, Walnut Creek builder, sponsored by Phil Firestone.

Al Meggs and Son, Walnut Creek, sponsored by Dan C. Peacock, Jr., Farmers Feed and Supply (A. C. Gardiner), Walnut Creek; A. B. C. Plumbing Co. (Vic Richt), Oakland, and Bernard Green, Walnut Creek accountant, sponsored by Sherman Balch.

ABBOTT BROTHERS Supply, Walnut Creek, and Danville Warehouse and Lumber Co. (Dave Humphrey), sponsored by Robert R. Platt.

Kermit Lincoln, Walnut Creek builder, sponsored by Sherman Balch.

C. R. PADEFORD Roofing Co., Walnut Creek, sponsored by Gordon Hammonson.

Donald J. Lawrie, Lafayette builder, president of the association, chairmanned the meeting.

Scouts To Leave For Wolfeboro

Two hundred and sixty more Scouts will leave Tuesday for Camp Wolfeboro, the summer camp of the Berkeley-Contra Costa Council of Boy Scouts of America, located on the Stanislaus River in the great Stanislaus National Forest.

This will be the third session of the four-session season. According to Russ Graff, Diablo District Camping and Activities Chairman, the main camp is full to capacity. The Pioneer camping area is still available to Troops wishing to do their own cooking. Troops camping on this plan pay only a small registration fee and have access to all the camp features and program helps from the central camp staff the same as those Troops that buy their meals in the "camp restaurant."

From this district, 35 scouts from the Danville Lions Club Troop 206 and the Lafayette Our Saviour's Lutheran Church Troop 210 will leave Tuesday.

Home Freezing Course Offered

"Introduction to Home Freezing" was the topic of the first meeting July 10, of the home freezing course now being conducted at the Alacanes Adult Center.

The eight-session course meets on Tuesdays and Thursdays from 9:30 to 11:30 a.m. It is being given under the direction of Miss Iann Hastings, home economist. The subjects to be covered will be preparation of fruits, vegetables, meat, poultry, pastries, left overs, and the final session will show how a complete meal can be prepared for freezing.

Those interested should register Tuesday at the Adult Center office at Alacanes High Administration Wing, according to Geo. H. Houghton, Adult Center Director.

New Money Order Available at P. O.

The new and more convenient money order is available at post offices now.

Principal changes in the new money order system will make it possible to have a money order cashed at any of the nation's post offices or it may be collected through any bank in the same manner as the depositing or cashing of a check.

The new money order appears in the form of a punched card instead of the customary paper slip and purchasers will fill out the same form and pay the same fees as has been required in the past.

Photo Salon Set For W.C. Art Show

Sponsored by the Contra Costa Camera Club, handiwork of leading photographers of California will be a feature of the Walnut Creek Festival's 1951 Art Show, according to Mrs. Howard Flanders of Walnut Creek, chairman of the photography salon committee.

The photography salon innovated last year formed such a popular attraction that plans have been made to make it an annual attraction at the Walnut Festival.

Led by President A. C. Dippe of Walnut Creek, the local camera group is sending entry forms to leading independent photographers and clubs throughout the state.

Three prominent bay area photographers, K. V. Arntzen of Berkeley and Robert Ingram and Walter Treadwell of Oakland will judge the salon entries.

An additional special feature of the show will be an exhibit from each of the seven camera clubs in Contra Costa County.

Monthly competition of the Northern California Council of Camera Clubs, sponsored by the local group of the Contra Costa Camera Club, will be held July 23, 8 p.m., at the new Walnut Creek Recreation Center.

The council is an affiliation of more than 30 camera clubs of the Bay Area, which compete each month. At the end of the year, trophies are awarded to the club which has the most monthly winners.

The Contra Costa Club, spearheaded by Ben Randall and Challiss Gore of Orinda, placed second in the Salon classification in 1950 and is now leading the color slide competition.

Everyone interested in photography is welcome to attend, according to Dippe.

Jim French Receives High DeMolay Degree

James E. French, Walnut Creek, of the Las Trampas Chapter Order of DeMolay, has received the highest honorary degree a DeMolay boy can obtain.

In an open meeting last Monday, French was awarded the Chevalier Degree at the Masonic Temple in Walnut Creek.

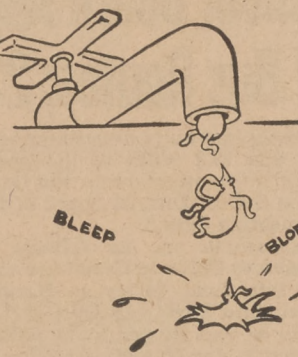

James is the son of Fields A. French, principal of the Walnut Creek Grammar School.

HELPFUL HINTS

FROM MILTIE

Do drips annoy you? We mean the leaky faucet variety, of course! If you do have a leaky faucet, have it fixed right away. The slow drip is not only annoying, but may give your sink or basin a rust stain that will be hard to remove.

About 10 times a week someone comes in here and says, "Oh, what a drip I was to get my furniture before I came in here and saw your beautiful, lovely, gorgeous stuff. It's so nice." Really they do.

So we hand them a Kleenex, or an old piece of curtain or an oily rag or something handy and let them walk around the store and drool. Now, just so that won't happen to you, you should come in and see our lovely store because we do have the finest Maple selection in the Bay Area and finest Colonial Gift Bar and lamp display in the West.

Here's one from a high school physics class. To separate two water glasses which have stuck together, first fill the inside glass with cold water and set the outside glass in warm water. They'll come apart very easily.

Elmer Hansen, on the left is shown shaking hands with his co-worker Les Lloyd and in front of them are displayed the many athletic trophies they have accumulated over the past five years under the banner of Tiny's Hut.

Elmer has been a great sports advocate and sponsored teams ever since coming to Walnut Creek while Les Lloyd has been the team's coach and manager. The present softball setup, which is the best in the Bay Area, is largely a result of their work and efforts along with the support of the City of Walnut Creek.

The combination of a good sponsor and a good coach-manager is a hard one to beat and the Hansen-Lloyd record tends to prove the point. Their teams are always in top division and in the five seasons of softball play they have copied the pennant three times and at the present time stand in undisputed possession of first place, being the only undefeated nine in league play.

In 1949 Tiny's Hut sponsored a team in the County Basketball tournament and came away with top honors.

They won the county pennant in softball the same year and ended up in the number two spot in 1950 after copping the local league.

The players have an added incentive to be good hitters in that the top batter each year has his name inscribed on a permanent trophy.

The adage "Beat Tiny's and win the pennant" has come to have more truth than poetry but the catch appears to be the task of beating them!

Walnut Creek Smashes Out 11-3 Win

The Walnut Creek Mort Brown Legion nine ended their season with a resounding 11-3 win over Lafayette Legion last Sunday afternoon.

Bob Westlund was the winning pitcher scattering ten hits over the nine innings of play and limiting the Lafayette Club to three runs. Bob had fifteen strikeouts to his credit and gave up but three walks.

BOB BORGESANI was the losing thrower giving up ten runs on ten hits and two walks during the seven innings he worked. "Red" Jones took over in the final two frames and yielded one run on two hits and two walks.

The Walnut Creek boys really had their batting eye as Alan Ruff, Bob Westlund and Dale Isaacs hit home run clouts with Isaacs and Westlund each cracking out a triple as well.

BART FERRO with two singles in five times at bat and Andy Monsen with two singles for three tries led the Lafayette hitters.

Walnut Creek jumped into the lead in the fourth when Alan Ruff led off with a home run to left field and Bob Westlund was on by an error and Richard Ting doubled with both runners scoring when the next batter, Richard Ting, doubled on a line drive to right field. That ended the scoring when the next three batters went down in apple pie order.

IN THE FIFTH Alan Ruff scored after singling and coming in on Bob Westlund's single. Three more tallies came in the sixth on singles by Ting and Perry and a home run by Dale Isaacs.

Two more in the seventh and two in the ninth accounted for the grand total of eleven while Lafayette's first scores came in the sixth when Kay Dana singled, Don Garrett walked and Bob Borgheasani drove them in with a single to left center.

Two Legion Teams To Combine Forces; Whites and Greys Each Plan Series

By ERWIN MATTSON

THE LATEST NEWS to come out of the local sports picture is that the Legion nines of Lafayette and Walnut Creek are to combine forces.

The plan is to continue with two teams with the Whites being composed of the more experienced players and the Greys forming a younger club which will play an independent schedule.

The Whites are set to meet some of the area's best nines and they go up against the Bill Irwin American Legion Post of Oakland as a starter.

Bill Irwin is considered the top baseball team for boys under 17 in Northern California. They won the national title the past two seasons and have won the area title more than all other teams put together.

They lost a number of players from last year's champs due to the 17-year age limit, but appear an even bet to win the area championship again.

IT WILL BE INTERESTING to see how the local nine makes out. My guess is that they will do well providing they don't get stage fright at the thought of meeting the Oakland Post.

A TWO-GAME SERIES is planned with the first being played at Bushrod Park in Oakland next Thursday and the second at Acalanes Field with the date open at this writing. The Oakland game's starting time was set for 6:00 p.m., making it a twilight affair.

The Whites make their home appearance next Sunday when they cross bats with the Shattuck Merchants who are members of the Oakland Police League.

Game time is 3:00 p.m., with the Greys showing against another Oakland nine, Buon Gusto, at 1:00 p.m.

A RECENT NEWS ARTICLE related the development of an electronic eye which replaces the usual umpire in so far as calling balls and strikes is concerned.

It has a speaker attachment and actually "calls" out on each pitched ball.

It is doubtful if it will be used much for some time. Technical difficulties remain and it would take time to replace the traditional "blind man."

The new device calls them as they are and leaves no room for argument.

MANY FANS get as much of a kick out of riding the umpire and second guessing his decisions as they do out of the game itself.

In fact, some fans do little else, and as a result have to read the paper the next day to discover how things went.

AN ATHLETIC EVENT that will take place in August will draw more than its share of fans and

Art Evans Named President of Diablo Rod and Gun Club

Members of the Diablo Rod and Gun Club of Walnut Creek will seat new officers tomorrow night at a dinner meeting in Martinez.

Taking over the gavel as president will be Arthur T. Evans, past president of the Associated Sportsmen of California and past chairman of that group's District Council with 36 clubs in Alameda and Contra Costa Counties.

Other officers to be seated include Glenn H. Lane, vice president; Renato J. Alto, secretary; William Kutz, treasurer; Jane Alto, corresponding secretary; Charles Butler, sergeant-at-arms; Alfred T. Cooper, James D. Lindsey, Lola Armstrong and Howard Christensen, directors.

The Diablo club will be hosts to members of the West Point Rod and Gun Club of Calaveras County here the weekend of September 8 and 9 for two days of striped bass fishing, rifle and trap shooting.

More than 160 members and guests of the Diablo club motored to the West Point Club's headquarters on June 22 for trout fishing, a picnic, dance and rifle match in addition to trap shooting.

Gus Silva of the Diablo Club won the trophy for the largest trout caught, a 16-inch German Brown.

Guild To Benefit From 'Strawhat' Performance

Section 2 of the Women's Guild sponsoring "Orinda Night" of the Straw Hatters in their performance of "How Can You Miss" on July 24 at 8:30 in Lafayette Town Hall. The Guild will share a percentage of all the tickets it sells. The amount realized will be contributed to the new fund for installation of modern kitchen equipment.

Tickets may be obtained from Mrs. Challis Gore, 44 La Vuelta, Orinda 2554, or from Mrs. Richard Hafner, 49 Loma Vista, Orinda 2178. They may also be obtained from any Guild member.

New Oboe Stop To Be Installed In Church Organ

The Orinda Community Church committee on memorials and special gifts has announced the gift of funds to provide a complete new stop for the memorial organ now in use and soon to be moved to the church's new chapel. Recommendation of several organ authorities has been taken into consideration in choice of a 61-note oboe stop for the addition.

The pipes have been ordered and the space for their installation is being provided by enlargement of the organ space in the new location. The improvement is being made by the original builders of the instrument, the San Francisco firm of Felix Schoenstein and Sons.

Continued activity of the music committee and choir is required to furnish funds for the space enlargement, moving and revoicing of the instrument, the committee states.

Members of the committee are Mrs. A. D. Blalock, chairman; Ted Schilling, Mrs. W. H. Mordy, J. W. Davison, Mrs. Ewert Phair.

Troop 207 Joins In Camping Fun At Wolfeboro

The first session of the four-period season of the Berkeley-Contra Costa Area Council of Boy Scouts of America opened to capacity recently with a total attendance of 290 Scouts and their Leaders.

Twenty-seven of the Orinda Lions Club Troop 207 are attending this period according to Russ Graff, chairman of Camping and Activities for the Diablo District.

SOME OF THE TROOP program resources which are available to Troops at this camp are: Swimming, boating, canoeing, back-country exploration via pack mules, nature lore, tracking, stalking, orienteering, archery, riflery, mo-skeet or miniature skeet shooting, trail cooking, campcraft, Sunday Church Services, handicraft, axemanship, special water carnival, Troop campfires, camp-wide campfire programs, Scouting advancement, fishing, ropework contests, and three hearty meals a day.

Each period is ten full days allowing one day for traveling which makes a total of eleven days away from home for each Scout.

Camp Wolfeboro is located on Highway Route 4, better known in the area as the Ebbets Pass Highway, just ninety miles above Stockton and is maintained in part by annual Council Fund Drive in this area.

JOE ESSER, of the Council professional staff, is serving as Resident Camp Director. Gordon Hawkins, also of the Council staff, is serving as Assistant Director in charge of program coordination. Dick Towns is making a return engagement as camp cook. Scouts who attended camp last year will again have the opportunity to attest to his "magic" with the food. Manson Stokes is serving as his assistant.

Orinda Scouts attending from this district are: David Blaney, Hart Corbett, Philip Dempster, Bud Dodge, Michael Downes, Bill Ellermeier, Duval Geissler, Terry Ginsburg, Tom Hannan, Phil Hunter, Edward Maloney, Wally Marsh, Don Marsh, David Oakley, Hugh Oliphant, Bill Ready, Jeff Rodden, Bill Spengler, Frank Soule, Peter St. Hill, Roger Soule, Allen Sutton, Gordon Thurston, Tommy Veitch, Wade Wallace.

Double Celebration

Mr. and Mrs. Lance Barden celebrated their 32nd wedding anniversary on July 5. This was also the 15th birthday of Patty Lou Smith, who with her parents, Mr. and Mrs. Wesley Smith and Mrs. Ethel Lord Grady, were the Barden's dinner guests.

Seafarers to Meet

The Seafarers will have a summer cruise to the home of Mrs. Idress Abbott, 20 Sunrise Hill July 27. Members are urged to bring an Orinda guest who may be a potential new member.

12-15 Club Enjoys Luncheon Party

The 12-15 club were guests at one of its members, Mrs. A. Pasterie, June 26 at the Orinda Country Club. Enjoying luncheon and cards were 17 members of the club and Mrs. Manuel J. Hartor of Hazen, Nevada, and Mrs. Pasterie's nieces, Miss I. Prina and Mrs. Ben Folcarelli from New Jersey. Mrs. Hartor is visiting her sister-in-law, Mrs. Robert Raskob, in Orinda.

Alumni Reunion

Mr. and Mrs. Art Henry flew last week-end to Oberlin College to attend the reunion of their class of '41. It was a thrill to see many of their former classmates. The couple attended college together and were married soon after their graduation.

Week at Camp

Mr. and Mrs. A. C. Flenner and two children had a restful and pleasant week at Berkeley Redwood Cazadero Camp the first part of July.

Ballards Plan Trip

S. A. Ballard of 235 Glorietta Boulevard, is leaving shortly for Holland with Mrs. Ballard and their two children. He is on a one-year special assignment from Shell Development Company at Emeryville.

A trip through the tunnel to do your shopping costs you at least \$2.75 in additional expenses. Shop at home for service and savings.

Diamond K
Sez . . .

This is the time of the year to think back to the rainy season of last winter and do something about your drainage problems.

AS MANY OF you will remember, when it starts to rain it is too late to remedy your poor drainage situations. Diamond K is taking this time to remind you that we are always willing to answer any questions and give expert advice on how to solve your drainage problems.

We carry a complete stock of drain tile and fittings in 3" 4" and 6" sizes as well as all sewer pipe fittings, tar paper and drain rock. Whatever your problem might be, come and see Diamond K first and save.

CEMENT IS STILL very difficult if not impossible to obtain, but we have plenty of Mix Kwick Concrete and Mix Kwick Mortar which will tide you through those pesky little jobs that arise. The concrete contains sand, gravel and cement in proportion for cement work, while the mortar mix contains sand, cement and fire clay in the standard proportions for brick work.

So, for clean, easy handling, stop by and pick up some Mix Kwick the next time the occasion warrants it.

See you next week.

'Music in Rest' Sermon Subject

Next Sunday, the last before his departure for King's Canyon National Park, Rev. Fred Morrow will conduct the service of the Orinda Community Church at 10 o'clock, and speak on the theme "The Music in a Rest." As special soloist of the day, the music committee has announced the outstanding concert violinist, Lois Flenner.

As is customary during the vacation months, Sunday School departments meet at the same hour as the church service, with junior age boys and girls taking part in the first half of the family worship service in the chapel.

Rev. Godfrey Matthews has been announced as worship leader and preacher during the vacation absence of the minister. He has promised to continue the story feature of the early summer service.

The Happy Country Folk

By EDITH BOLMAN

And now the Happy Country Folk will be watching with interest the progress of the ketch "Minerva" carrying the Vad Jeltens to Honolulu in the annual Fourth of July race from Los Angeles. Being the only representative from the East Bay, they departed in high style from San Francisco for Los Angeles with Mayor Rishell giving them letters to the Mayor of Honolulu, and photographers scampering all over the St. Francis Yacht Club to get pictures of them going through the Golden Gate.

The sailing weather down was fine and, says Pat, "We found our way through the Los Angeles fog and smog to the Wilmington boat yard at five this morning." We can't say for sure which morning that was, but anyway we will give you a week by week account of their trip because we have ways and means of knowing their progress even while they are in mid-ocean.

OTHER PEOPLE ARE getting around too. The Sheldon Allens with daughters Julie and Wendy are just back from a wonderful trip in the Northwest. They drove to Seattle, took the night boat to Victoria, and visited Klitsa Lodge on Vancouver Island where they fished and boated, then on to Banff and Lake Louise which was awe inspiring in all its glacial beauty. The only time they ever saw a glacier it frightened the daylight out of us because someone mentioned that it was constantly moving. What they didn't mention was that it moves only a fraction of an inch every so often — so of course we had plenty of time to get out of the way.

The Allens also visited other phenomena, the Hot Springs, the Moose, the Elk, the Deer, and the golf course. Keeping the home fires burning while they were away was Miss Elizabeth Grey of Baby Shoppe fame who found it right convenient to bunk in Orinda while moving her Shoppe from one end of the Village to the other.

More trippers were Mr. and Mrs. Ritchie Smith who toured the Northeast recently and brought up to date their associations with many friends and relatives. First pop out of the box was a visit with Betty's mother, Mrs. W. W. Calahan at her home in New Jersey, then on to New York where they were fortunate enough to negotiate tickets for "Darkness at Noon" and "Rose Tatoo," then to Dartmouth for Ritchie's 25th class reunion.

One interesting phase of that performance was the so-called Hanover Holiday which is a brief seminar session for the alumni, arranged so far as we could figure out so that couldn't possibly interfere with daily golf, tennis, or practically anything else the alumni might happen to want to do, then off to visit more friends in New England and finally home to get reacquainted with daughters Debby and Patsy.

While they were away, Patsy had managed to grow up to age five, so she had a dinner party for four favorite friends.

DR. AND MRS. WAYNE CAYGILL are home again after a trip east for the annual convention of the American Medical Association at Atlantic City. While there they visited both

their mothers. We are charmed to know that now again we can proceed with our smashed fingers, colds in the head, and sundry disabilities which make it impractical for them to stay away for any protracted period — that is from our point of view of course.

Mr. and Mrs. Melvin Jacobus have been visited recently by Mrs. Jacobus' sister and brother-in-law, Dr. and Mrs. Lawrence Stavig from Sioux Falls, South Dakota. Their two teen age sons, David and Mark, were with them in order that they might all visit the third son Dr. Paul Stavig at Letterman Hospital.

Both visitors performed most interestingly while they were here and the Happy Country Folk who were fortunate enough to get in on it were inspired and delighted. Dr. Stavig, who is president of Augustana College in Sioux Falls, gave the sermon at the Church of Our Savior in Lafayette. Mrs. Stavig sang in her lovely contralto voice to about 20 friends at a musical luncheon given in the home and gardens of Mrs. Jacobus. Mrs. Stavig accompanied by Mrs. Lindsey Crawford gave an informal interpretation before singing each of the numbers by Bach, Brahms, Schubert, and some modern pieces. All of this came as a grand windup for Mrs. Jacobus who had just returned from Portland, Seattle, and Longview where there was another family reunion given by her sister Mrs. J. Corman. Twenty kin were assembled for a three day conflagration celebration which sounded to us like a real high falutin' shindig.

MR. AND MRS. ROBERT BRIDGES flew to New York recently where they just happened to stay at the Towers of the Waldorf at the same time as the president of Ecuador. Other things they did which made us wish they had invited us to go along; in Canada they watched parliament in session, were entertained by Canadian Senator and Mrs. Fogo and Mrs. Sidney Blair at various country clubs in Toronto and Ottawa, then back to New York where they somehow managed tickets for "The King and I," "Call Me Madam," "The Moon is Blue," and "A Tree Grows in Brooklyn," then down to earth long enough to head for Los Angeles where they gathered together for redistribution their three young ones who had been visiting various members of the family while the old folks were off on their jaunt.

Mr. and Mrs. Sumner McAllister of Lafayette staged their annual Fourth of July barbecue for over forty friends. One guest flew in that

Challiss Gore Wins In Photo Contest

Challiss Gore of Orinda won the \$15 first prize in the Chronicle's Amateur Snapshot Contest with his picture of his daughter's baby, Barbara Shirey, contentedly gazing out from her car seat. Barbara's father is Major Edwin Shirey, now on duty with the 40th Division in Japan. Mr. Gore is a frequent first place winner in the Contra Costa Camera Clubs' monthly print competitions.

Seeing Eye Dog For Bob Slauson

Robert S. Slauson, 19, son of Mr. and Mrs. E. V. Slauson of 151 Norlyn Drive, is one of eight students in the new class for training students at the Guide Dogs for the Blind School in San Rafael.

Robert has been blind since he was six years old. He graduated last month as an honor student from Acalanes High School and won the \$350 Arighi Memorial Scholarship which will aid him in his sound engineering studies this fall at the University of California.

morning from Honolulu on his way back from a trip to Japan, and that night he flew on to New York preparatory to leaving for London and Holland.

Miss Cherie Sharp hostessed a most enjoyable and effective dinner party recently. The guests both masculine and feminine foregathered at five o'clock so that they could attend to a few important matters before their 5:30 barbecue, namely cokes, crackers, and conversation. About that time starvation set in so they went to work on the spare-ribs, etc. After meal entertainment was dancing and television. Miss Sharp is seven years old.

Mr. and Mrs. Frank Dunn and son Roger relaxed at Etna Hot Springs over the Fourth while daughter Judy relaxed (?) at summer camp.

Mr. and Mrs. Preston Barker of New York City are visiting Mrs. Barker's brother and sister-in-law Mr. and Mrs. Eigel Olsen. The visitors will be shown the glories of California including Carmel and Tahoe during their three week visit.

NEW BABY DEPARTMENT Eight pound Valerie Lee weighed in at 8 lbs. on June 25 to take up permanent residents with parents Mr. and Mrs. Harold Shanks.

And so — for now that is enough!

George E. Reick Named President Of Alumni Group

George E. Reick of Orinda was elected president of the Western States Alumni of Yale School of Alcohol Studies.

The Western Alumni Association held its first annual meeting in Boise, Idaho, June 26. The alumni meeting followed a successful and interesting symposium on alcoholism which was held on June 25, under the auspices of the Idaho Department of Law Enforcement's Division of Exceptional Education.

Reick told an interested group of more than 100 men and women attending the symposium that great strides have been taken in the past decade to rehabilitate the sick alcoholic, but that we have not yet scratched the surface.

He said, "Alcoholism is a disease and a major health problem, therefore it is a public responsibility. The alcoholic can be helped and is worth helping," stated Reick, who has rehabilitated 35 per cent of the more than 1200 alcoholics he has interviewed in the last five years as a member of the State Bureau of Vocational Rehabilitation.

"Eleven States and the District of Columbia now have programs for the rehabilitation of alcoholics and education on alcoholism. Many large cities have clinics for treatment of chronic alcoholism. Several of the country's major industries have programs for rehabilitation of their alcoholic employees and many other industries are planning such programs in the near future."

Reick forecasts a Federal Plan to combat alcoholism will grant aid to the states, with every state participating within the next 10 years.

Rug Exhibit Will Benefit Hospital

The Badding needlepoint rug, which will be exhibited at Breuer's, Oakland, through July 21, is insured for \$30,000.

Carolyn Badding, the San Leandro housewife who has devoted the last two years to creating this needlepoint masterpiece, says the \$30,000 does not represent the actual value of the rug.

Cornet; Trumpet; Piano—8-Year-Old Mario Guarneri Wins Scholarship

It's still too early, of course, to tell whether eight-year-old Mario Guarneri, son of Mr. and Mrs. Fred Guarneri of 58 Orchard Road, is a "child prodigy" in music — but there's no doubt that Mario takes to music as a duck does to water.

About a year ago, on his own, he started playing an old cornet lying around the house. Shortly after that he began tooting on a trumpet, and

continued this for a half-year without benefit of regular instruction.

FOR THE PAST SIX months he has been taking trumpet lessons from Edgar Smith of Oakland. Smith was so impressed by young Mario's talent that he recommended him for a partial scholarship for piano study at the San Francisco Conservatory of Music, for the summer.

While studying piano this summer at the conservatory under the scholarship, Mario is continuing with his trumpet lessons.

Smith is not the only instructor who has noted the boy's talent. Oscar Busch, band leader at the Orinda schools, informed the Orinda Mothers Club that Mario ranks high in ability.

MARIO PLAYS the trumpet in the band at Glorietta School, where he will be in fourth grade in September.

His home environment and family have stimulated his interest in music. His mother formerly taught piano, his dad plays the guitar and banjo, and his 13-year-old sister, Rosalie, plays the piano.

"No wonder folks here in Fresno County buy so many appliances from me and other dealers. P.G. and E. rates are not only lower today than in 1940, but they're among the lowest in the nation!"
—Eugene Wilkinson, of Bise & Tibbitt, Selma

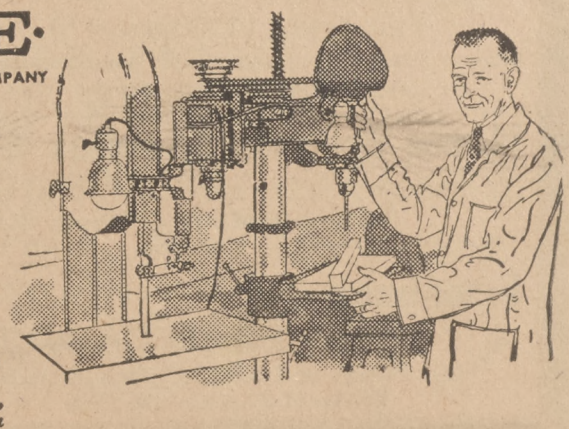

"Your gas and electric rates are lower than in 1940...
no wonder you use so many appliances!"

Your P. G. and E. household rates are lower today than in 1940. The reason is simple: the average customer uses about twice the gas and electricity he did in 1940. That larger use helps cut delivery costs. Moreover, skilled employees and careful management work together to improve efficiency. The results are passed on to you in the form of low rates. We don't think these low rates are the only reason you buy so many appliances. But we do think they help you enjoy them more.

"We moved into our new home last year. I think we have about every modern appliance it takes to make living easier and more fun. My hobby is my workshop, power equipped. Yet electricity accounts for only 1% or 2% of our family expenses!"
—Henry J. Jacobsen, Selma, California

Parents Visiting Hours Now Set for Thursdays at Girl Scout Day Camp

Girl Scouts participating in Day Camp activities on Mt. Diablo will welcome their visiting parents any Thursday from 1 p.m. to 3 p.m., according to Mrs. M. Halseth, publicity chairman for the Diablo Valley Area Girl Scout Council.

Those hours are the visiting hours set up by the Council. The camp got off to a great start last month with all Girl Scouts participating having a wonderful time in spite of unpredictable weather, Mrs. Halseth reported.

MEMBERS OF INTERMEDIATE Girl Scout Troop No. 48 of the Walnut Creek Area recently completed requirements and were awarded badges in first aid by Troop Leader Louise Gillette. Those receiving badges were: Dianne Bailey, Susan Embree, Miriam French, Jean Gardner, Nancy Homick, Mary Lou Lee-man, Diane Maguire, Nancy Ninnis, Linda Olcott, Verla Saye Pembroke, Linda Sharpe, Sally Sparks, Margaret Swain, Wendy Webster,

Beverly Weill, Judith Ann West, Sharilynn Bohm. Beverly Weill and Dianne Maguire also received sewing badges, while Susan Embree received a tree badge.

GIRL SCOUT TROOP No. 99 recently spent a night on Mt. Diablo learning the constellations and studying camp etiquette, as well as thoroughly enjoying themselves. Accompanying the girls were Troop Leader Mrs. D. Brissard, Mrs. Karl Pape, and Mrs. Barbara Frick.

Members of this troop also held a recent meeting for which the girls planned their refreshments and entertainment.

Occasion of the meeting was the awarding of Second Class Badges to Susan Drew, Susan Ewing, Patty Fahey, Hilary Gates, Gail Henderson, Patsy Mullins, Diane Olberg, Carol Morlave, Karen Summerstrom, Kathy Westland, Sheila Dorman, Barbara Ann James, Margery Kennison and Nancy Backus.

Rites Held for Orindan's Mother

Funeral services were held at Mountain View Cemetery Chapel in Oakland yesterday for Katherine M. Gould, mother of Mrs. Lois Jackson of Orinda.

Other survivors include her widow, Roderick L. Gould; another daughter, Mrs. Helen Lawson, a granddaughter and two great-granddaughters, and two sisters.

A native of New York, Mrs. Gould was a member of the Park Boulevard Womens Club and the Eighth Avenue Methodist Church.

Jim Thearle Will Go to Annapolis

Word has been received in Orinda that James Thearle, son of Mr. and Mrs. Phil Thearle, who formerly made their home on Via Hermosa, has passed his examinations and received notice of his appointment to Annapolis.

The Thearle family now is living on a two-masted schooner, "Seadrift," that is docked at Alameda when not on cruises. Mr. and Mrs. Ed Nelson of Orinda are frequent guests aboard the "Seadrift."

Christian Science Weekly Lecture

"There is none holy as the Lord: for there is none beside thee: neither is there any rock like out God." This verse from I Samuel will be the Golden Text for the Lesson-Sermon to be read in all Christian Science churches next Sunday, July 15.

The sermon on the subject "God" will be comprised of other citations from the Bible and from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, from which the following have been chosen:

I Corinthians 3:9, 10: "For we are laborers together with God: ye are God's husbandry, ye are God's building. According to the grace of God which is given unto me, as a wise masterbuilder, I have laid the foundation, and another buildeth thereon. But let every man take heed how he buildeth thereupon."

Science and Health: "We should consecrate existence, not to the unknown God" whom we ignorantly worship, but to the eternal builder, the everlasting Father, to the Life which mortal-sense cannot impair nor mortal belief destroy" (p. 428).

Don't burn without a permit.

STORK CLUB....

Mr. and Mrs. Warren Harrold are delighted with the arrival of their first grandchild to their daughter Nancy, Mrs. William R. Nichelmann, on July 2 at Peralta Hospital. Baby William Warren weighed 7 pounds, 6 ounces, and both he and his mother are getting along very well. Nancy and infant are staying with the Warren Harrolds until the end of August when they will join Mr. Nichelmann in Sacramento where he represents the H. J. Heinz Co. for the Sacramento area.

ROBERT TRENT JOHNSON

Robert Trent Johnson, weighing seven pounds, three ounces, was born June 23 to Dr. and Mrs. Robert H. Johnson of 1 Vista Del Moraga, at Herrick Hospital in Berkeley. Daddy is a physician and surgeon at Herrick Hospital.

It's a son for the Edward L. de Laveagas of Bien Venida! Eight pound David was born at Alta Bates Hospital Monday night. His four-year-old sister, Constance, is awaiting his home-coming.

Auxiliary Women Fete Mrs. Ballard

St. Stephen's Women's Auxiliary July board meeting Wednesday took the form of a farewell luncheon honoring Mrs. Seaver Ballard, treasurer. The Ballard family is leaving for a year's stay in Holland.

At the luncheon, held at Orinda Country Club, a going-away gift was presented to the honor guest.

Announced was the formation of a finance committee, to be followed by appointment of a building committee, forerunners of a long cherished dream, that of building the permanent St. Stephen's edifice.

St. Stephen's will inaugurate a Sunday School. F. M. Fawkes of Orinda has been named superintendent and together with Canon Guilbert, head of religious education for the Diocese of California, a program is being developed.

I'm Frank...

and I get blamed for everything.

Why, only the other day Stan Allen over on Orchard Road accused me of importing more gophers to Orinda than we have had in years before.

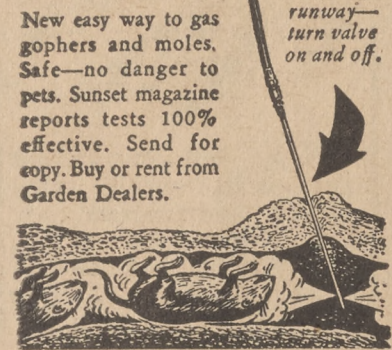

Now, honestly, I didn't bring in any more gophers this year. I might have fed the ones that I brought in last year but, gosh, I know a good thing when I see it and, if I get too many gophers in Orinda, people will really get to work on them with a Maclean Methyl Bromide Dispenser, and then I'll have to get a whole new crop going again.

However, if my pets get their directions twisted, and you have more than your share around your place, read this Maclean Dispenser ad, and study the diagram and you'll see how the "gadget works."

MACLEAN'S METHYL BROMIDE DISPENSER

New easy way to gas gophers and moles. Safe—no danger to pets. Sunset magazine reports tests 100% effective. Send for copy. Buy or rent from Garden Dealers.

Now don't go telling all your friends how wonderful this Maclean Dispenser is, because I don't want to get rid of all the gophers at once.

Remember, we do sell gopher bombs, poison and traps, and certainly don't want to put the folks who manufacture this stuff out of business.

Well, I don't, 'cause
